HEADS UP!

Nag nuts turf in foxhunt fuck-up

THIS is one horse that's gunna wake up with a headache in the morning. The nag was part of the (take a deep breath now) Old Surrey Burstow and West Kent Hunt, a mob that loves to get out in the fresh country air to kill a fox or two whenever they get the urge.

This was the Boxing Day hunt and it was **FUCKEN BEAUT.**

There were plenty of in-bred, chinless British gentry on horseback, full of port and pheasant, gallivanting around the countryside and stopping occasionally to **SPEW THEIR GUTS UP.**

Or, as in this case, go for a header over a hedge.

Ah well. Shit happens. But we can't help thinking the fox was sat under the hedge pissing itself laughing. **Picture**

BUM'S *the* WORD!

All hail Annika's finest asset!

S EPPO porn goddess Annika Albrite definitely knows which of her many fine bits her fans would most like to BUTTER UP and CHOW DOWN ON.

Time and time again they pay DROOLING tribute to her firm, flexible, DOMINANT bum.

It's a constant source of conversation. In fact whenever her names comes up, her arse is not far behind.

"Love that boo-tay", they say. "Your ass is real and awesome!"; "It's a sweet booty"; and "it's so juicy!" are some of the comments about her beaut glutes from fans on her twitter page.

Yeah, there are also the doubters, the ones who claim her backside is **BOGUS**, but they just make her laugh.

"I like it when people ask if my ass is real!" she tweeted recently. "When I got into this industry I didn't even know butt implants existed. I'm one of the real ones!"

So we think we can take it as gospel that Annika's arse is **ALL KILLER, NO FILLER**.

"I never considered my butt being special," she says. "If anything, I thought I was too curvy. I was actually self-conscious of my booty. It wasn't until I started working in the adult industry that I realized I had been blessed."

Blessed are Annika's cheeks, for they shall inherit the earth.

Believe it or not, this shit happened!

"Shit, we're outta booze!"

GUZZLE ISLAND

A BUNCH of Kiwi pissheads got around a local New Year's Eve booze ban by building their own ISLAND. The desperates from Tairua, on NZ's North Island, were planning a piss-up on the beach, where drinking was prohibited, but not wanting to be CRIMINALS, they got their shovels out and built a giant sandcastle in the mouth of the river. Then they lugged a picnic table out there and GOT STUCK IN. Even local copper John Kelly was impressed, "That's creative thinking - if I had known that I probably would have joined them," he said. Truly, Kiwis are the chosen people.

#309 WE DREW A COCK ON IT

LIKE A VIRGIN?

Gibbo's looking to lose her V-plates

ANOTHER VIRGIN is flogging her un-popped cherry through famous knockshop the Moonlite Bunny Ranch in Nevada, USA. Spunky Bailey Gibson, 23, swears blind she's never had a cock up her and was holding on until she got married - that is, until her boyfriend got his DICK WET with some other chick. Now the former student at an all-girl Christian boarding school and daughter of a preacher will flog her foo-foo to the highest bidder, hoping to make big bucks to fund her uni education.

SNAKE ON A BARBY

MOST Aussies like a nice chop, snag or WHOLE ROAST OX on their barby, but this family in Twin Waters, on Queensland's Sunshine Coast had to make do with a big JOE BLAKE. Local snake catcher Stuart McKenzie was called out on New Year's Day to wrangle a two-metre carpet python out of their TUCKER FUCKER just as they were about to fire it up. Wonder what SNAKE 'N' SALAD tastes like...

I'M GUNNA NEED A BIGGER PLATE

BID FOR BOOTY!

MONKEY BUSINESS

A JAPANESE snow monkey has been photographed **FUCKING DEER** on Japan's Yakushima Island. The randy primate was seen repeatedly leaping on a couple of sika deer, humping them like mad and spoofing on their backs. The deer

didn't seem to mind. Scientists reckon the monkey must be a low-ranking male in the tribe and can't score a root with a chick monkey, so he's gone **FERAL**. Or maybe he's just a **SWINGER**.

HOW ABOUT SOME EYE CONTACT, BABE?

It's a **HARD** place to live

KNOB STREET

RESIDENTS in a rudely named street in the UK, want the name changed because they reckon it's killing property values. They claim their joints in Bell End, in Sandwell, West Midlands, are worth up to a third less than houses on nearby streets because of the name. They even reckon their kids get picked on more at school because of it, so they've started a campaign to have it changed. We suggest **PENIS LANE**.

BETHESDA, MARYLAND

AIR IN HOUSE REGISTERS ON BREATHALYZER

GROG IS IN THE AIR

POLICE who busted up a rowdy party at a US college fraternity reckon there was so much piss being chucked around, the air inside the house registered a .01 on a Breathalyser. The coppers attended the bash in Bethesda, Maryland, after complaints from neighbours and immediately breathalysed the house when they suspected it had been drinking. They would've arrested it, but they couldn't get the cuffs on.

WOR FAST P

Col Furze makes
everything go quicker

NOT all Poms are a waste of space. We can think of at least three who made the world a better place – Captain Cook, Jo Guest and Colin Furze.

Cookie was great because he INVENTED AUSTRALIA, Jo Guest was the spunkiest babe who ever lived, and Colin, well, he just makes stuff that shouldn't go fast at all go VERY FAST INDEED.

Old folks' mobility scooters, shopping carts, DUNNIES, bumper cars – we've seen Col do some pretty amazing things to all of them to set world speed records.

He's an amazing bloke who lives by his creed, "I find forgiveness is easier to seek than permission", which is a polite way of saying "if they can't take a joke, fuck 'em."

"As a kid I always liked

WOO, AND

Lego and Mecanno... the engineering side of things came a lot later. My earliest creation was a fake arm that I was going to try and trick the teacher at school... it didn't work so well, haha."

He's a brave bugger, too, who insists of having a go on everything – even to the extent of SHITTING in the world-speed-record-breaking brasco.

"Yes, I always fully test things," says Col.

See? He puts his ARSE where his mouth is! **Picture**

YOUNG TALENT TIME!

The jizz biz's hottest newcomers

THEY come every year. Hot young spunks with stars in their eyes and ants in their pants, hoping to become the next big thing in porn.

And just when you think they can't get any hotter or spunkier, along comes the next Jesse Jane or Sasha Grey and we're off on another wild adventure!

Just check out this bunch of likely contenders for the crown of the realm – in this case, the Holy Kingdom of Fuck Mountain.

They are so ready to rumble, if you hooked up their combined libidos you'd have enough 'leccy to power South Australia all summer.

The future of porn is here, and it's looking good. ■ **Picture**

THE PICTURE'S
A-Z guide to porn

ANAL

Nah, it's not when the porn set is heaps clean. It means taking it up the CLACKER.

BUKKAKE

When a group of blokes do the FIVE KNUCKLE SHUFFLE and ejaculate over the face or body of a waiting and willing champion woman.

CUCKOLD

A type of porn in which a bloke watches his wife get boned by another, often more well-endowed African-American, bloke.

DOUCHE

A device that chicks use to clean out their MOOTS after a heavy duty SPLOUGE-FEST. Also, Nick Kyrgios.

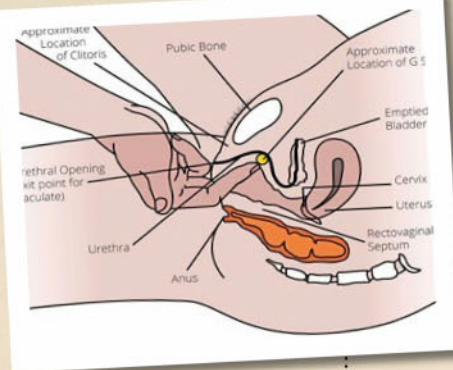

EEL PORN

When a chick puts a bunch of the slippery champions up inside her and squirts them out again. Enjoyed by sexual deviants and eel enthusiasts.

FLUFFER

The possibly mythical member of a porno film crew responsible for keeping STUNT COCKS rock-hard and ready to fuck between scenes.

G-SPOT

Some weird, hard-to-find area in the moot that chicks reckon they need touched to orgasm. Yeah, righto. Whatever.

HENTAI

Weird cartoon porn invented by the Japanese, probably 'cos their regular porn is all blurry and pixellated.

WE MAKE
LEARNING
FUN!

A Z

INTERRACIAL

A category in which the participants are of different races. It's the porn that brings the world together!

JIZZ MOP

Some poor sucker uses one of these to clean up the pools of bodily fluids left after a beaut bonking scene.

KINK

Any sexual practice that's seen as out of the ordinary – like bondage, public sex, or dressing up as Dennis Lillie and singing *You're The Voice* while doing a chick up the clacker at a bus-stop.

NYMPHO

A very horny young lady. A cock-lovin' dame. A perfect fit for the JIZZ BIZ.

ORGY

A group rooting session with five or more people involved, resulting in lots of hard work for the poor old jizz-mopper afterwards.

LEZZO

Where chicks root other chicks. Newcomers to porn often ease their way into the biz with a bit of this before graduating to DICK.

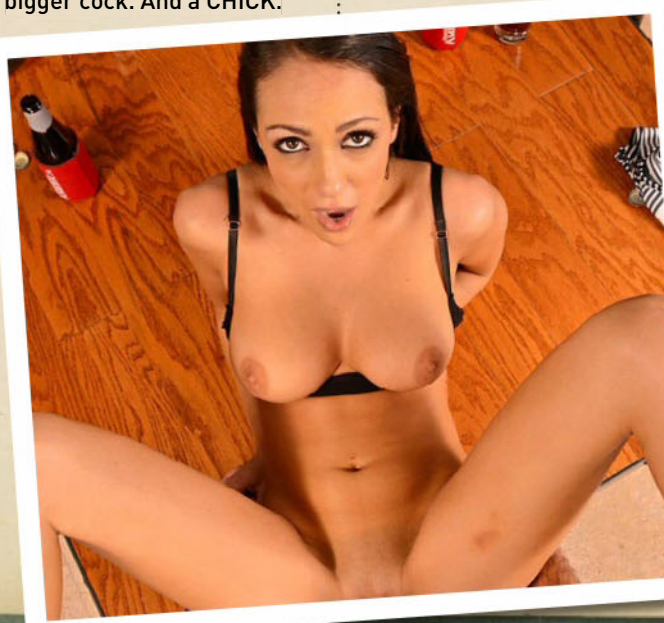

MILF

Stands for 'Mother I'd Like to Fuck', but a MILF doesn't actually have to be a mum or even someone you'd like to fuck. She's pretty much any older female porn star.

POV

A porn scene shot point-of-view style, so you can pretend you're the one doing the rooting, except with a bigger cock. And a CHICK.

QUEEF

The farting noise a pussy makes when air escapes from it, often after a prolonged and hearty pounding by...

RON JEREMY

Legendary pro-rooter, nicknamed The Hedgehog for his extreme hairiness, who fucked his way to fame in the 80s. The filthy fucker could suck his own cock!

SQUIRTING

The spraying of fluid from a chick's vagina when she's heaps excited. Definitely not piss... well, maybe not. Anyway, it looks impressive.

TRIBBING

When two champion ROOT RATS get their legs into a scissor position and rub their SMOOS together until they orgasm. Female BONOBOS are also known to do this.

UNDIE SNIFFING

Copping a big old whiff of a chick's knickers. Granny pants or G-strings, cheap, nylon lingerie or little white panies. It's all good!

VOYEUR

Porn shot as if the people doing the rooting don't know they're being filmed and you are just a fly on the wall. A very horny, perverted fly. On a very dirty wall.

WEBCAM

The beaut little device attached to your computer that allows anyone to be a pornstar from the comfort of their own living room!

XXX

The rating applied to the bestest, MOST FEELTHIEST stick flicks.

YOGA PANTS

Those skin-tight pants chicks wear when they're pretending to do exercise, now the pant of choice for female porn stars as it makes their camel-toes look particularly HUNGRY.

ZUCCHINIS

A cock-shaped vegetable occasionally used in solo chick scenes as a schlong substitute. Can be added to a salad afterwards. Yummo!

MONTE

Brisbane babe's got
one speed – flat out

AS YOU can probably tell, aspiring Aussie porn superstar Monte Luxe doesn't do things halfway.

Tatts, sex, biscuits – she likes to go all out, so we reckon she's a natural to slay 'em if she goes over to Pornywood and starts shaking the bushes.

We had a little chat with the future Miss Thing to make sure she's the real deal. She is.

So, Monte, when are ya gunna conquer the US porn scene?

"Hopefully sometime in the future. I'd love to work for Burning Angel, Joanna Angel's company."

What do you love about Joanna?

"She paved the way for alternative porn and for models like myself to come through. I'd love to be the Aussie version of Joanna Angel."

We hear you're fond of a bit of bum lovin' – what's better, moot sex sex or anal sex?

"Anal sex! That's not even a question. Everything in the arse, all the time."

What's so good about bum sex?

"It's more intimate and naughty. The feeling depends on the partner as well – how big his cock is, whether they've done anal before, if he's going slow and nervous or if he crams it in and starts pounding. Also, if it's with a chick wearing a strap-on it'll be different again."

What's the strangest thing you've ever put up your arse?

"So many weird things! Last Valentine's Day I put two punnets of strawberries and strawberry sauce up my arse and mashed them up inside with a dildo before shitting them onto the bed. That was for my Premium Snapchat viewers."

ROMANTIC. What's your fave tatt?

"Probably the one on my face. It's a manifestation of my goal to work at Kink.com in the States. It's my safe word 'Mercy', so if I was doing a really intense scene there's no reason for them to say they didn't know what my safe word was."

There's just no stopping you, Monte!

You're Joking

A TEACHER asks her class to come up with a sentence that contains the word "contagious".

Amy stands up and says "Last week my mummy had the flu. It was contagious."

"Very good," says the teacher. "Anyone else?"

Then Becky stands up and says, "A long time ago the Bubonic Plague affected a lot of Europe and because it was very contagious a lot of people died."

"Very good," says the teacher. "One more?"

Little Johnny then stands up and says, "My next-door neighbour recently started painting his house with a two-inch brush. My Daddy says it'll take the contagious."

DINGO, VIA EMAIL

THERE was an old man sitting on a bench in the park crying. A younger man walked up to him and asked, "What's wrong?"

The old man replied, "I'm married to a sexy 21-year-old woman who gives me two blowjobs a day. We have sex the minute I get home from work and right after dinner, too."

The young man had a strange look on his face and asked, "What's so bad about that?"

The old man replied, "I can't remember where I live!"

A MAN calls 000 and says, "I think my wife is dead."

The operator asks, "How do you know?"

He says, "The sex is about the same, but the ironing is piling up!"

T.R., FRANKSTON, VIC

AFTER 35 years of marriage, a husband and wife went for counselling. When asked what the problem was, the wife went into a tirade listing every problem they had ever had in the years they had been married. On and on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable.

Finally, the therapist bloke got up, walked around the desk and, after asking

AN ELDERLY woman went to see her doctor. When he asked how he could help, she replied, "I'd like a prescription for birth control pills."

Taken back, the doctor thought for a minute and then said, "Excuse me Mrs Smith, but you're 80 years old. What would you possibly need birth control pills for?"

The woman replied, "They

help me sleep better at night."

The doctor considered this for a second, and continued, "How in the world do birth control pills help you sleep at night?"

The woman said, "I put them in my granddaughter's orange juice each morning."

A PENGUIN takes his car to the garage one day to have it checked over. The mechanic says it'll be a about an hour before he gets to it, so the penguin goes down the street to the ice cream parlour and orders a big three-scooper to pass the time.

It's a pretty hot day, and penguins aren't the neatest eaters, so the penguin ends up covered in melted ice cream, and eventually returns to the garage looking a real mess.

The mechanic looks up from the car and

says, "It looks like you've blown a seal."

"No," the penguin insists. "It's just ice cream."

PETE, BANKSIA, NSW

A BLOKE walks into a bar. The bartender asks "Why the long face, mate?"

The man replies, "I just found out my wife is sleeping with another man so I've decided I'm going to drink myself to death."

The bartender looks shocked and says, "I'm sorry I can't help you kill yourself."

The man asks, "Well, what would you do in my situation?"

The bartender puffs himself up a bit and says, "If I found out a guy was sleeping with my wife I wouldn't sit around feeling sorry for myself, I'd kill the guy."

The man jumps up from his stool and shouts, "That's a great idea! Thanks!" and runs out of the bar.

A couple hours go by and the bartender is starting to get nervous when the man walks back into the bar with a big smile on his face.

"Did you kill the guy?" the bartender asks nervously.

"Nope! I slept with your wife. Whiskey please."

I like getting a massage, but it's hard to relax because the whole time, you're laying there for an hour with a stranger, naked, with your ass in the air - a lot of trust involved. And you can't really concentrate because you just keep saying to yourself, 'Don't fart. Don't fart. Don't fart. No boners. No farts.'

A. ANNETE.

ONE day Frank and Bob were fishing when a funeral passed by and Bob took off his hat and bowed his head.

MAKING AUSTRALIA GREAT AGAIN

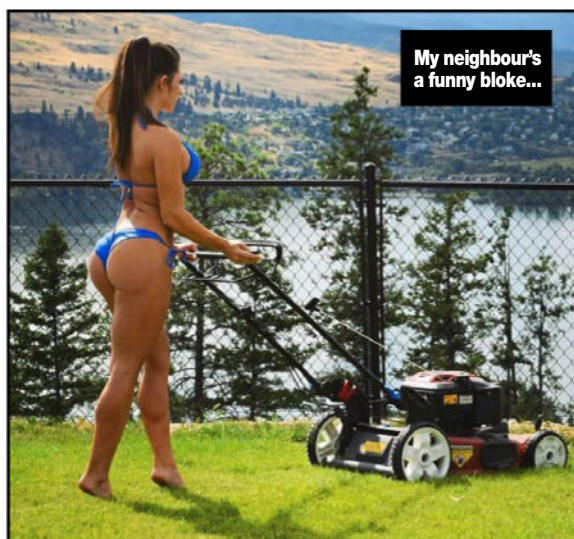

MUNGO, you said you wanted ways to improve Australia, so I came up with a list. Here ya go –

- * Have compulsory nude Fridays in every workplace
- * Subsidise beer under the Pharmaceutical Benefits Scheme
- * Ban drop-in pitches
- * Introduce a preferred migrant scheme for barmaids from Sweden and Brazil
- * Put Steve Smith on the new \$20 note
- * Cross-breed white pointers and salties as an added tourist attraction
- * Teach leg-spin from kindergarten
- * Make Angela White our head-of-state

- * Annex Hawaii
 - * Introduced the death penalty for dodging a shout.
- We don't have to do it all at once but if we just do one a year, in a decade we'll be laughing.

J.R., CONNELLS POINT, NSW

MUNGO SAYS: Rightio, I'll get on it. There might be a few legislative barriers, but if we can get Pauline onside, bribe the Greens, threaten the independents and send that dope Shorten out to buy milk whenever the votes roll around, I reckon we can get that lot through parliament.

WIVES AND MOWERS

MUNGO, my missus picked up the mag the other day and remarked what a rugged, handsome bloke you are. So I told her to stop putting so much chlorine in the pool 'cos her eyes are fucked. Anyway, can I borrow your lawnmower?

M.L., GYMPIE, QLD

MUNGO SAYS: No you can't borrow me lawnmower, 'cos the bloke I borrowed it from two years ago just came and got it back. Didn't even ask, just took it out of the shed. Cunt's got no manners.

MATE, YOU
NEED TO LAY
OFF THE PIES

RIVER OF LOVE

IT WAS the smoochiest love story in the world, the story of a romance between Pocho the croc and Chito the bloke. They spent 20 years as best mates, after Chito found Pocho with a bullet hole in him on the banks of the Parasmira River in Costa Rica. Chito nursed the five-metre-long scaly champion back to health, and so began two decades of togetherness – until last year, when Pocho died. “I just wanted him to feel that someone loved him, that not all humans are bad,” a choked-up Chito sobbed. The pair became a tourist attraction with folks queuing up to take their photo as they romped together. Pocho even learned some nifty tricks, like NOT EATING Chito when he probably really wanted to. Now Pocho is dead, at an estimated age of 50. And Chito is gunna have to find a new best mate.

GET A ROOM!

LOCKED AND LOADED

TRIN, I'm currently locked up for some dumb shit I did. I didn't hurt anyone or nothing... well, didn't hurt 'em too bad. Anyway, I'm out in a few months. Question for you is – do chicks still dig bad boys who've been to prison? Should I use it to my advantage when I'm out or will it do more harm than good? I wanna get my end wet ASAP.

STICKY, CANNING VALE, WA

TRINITY SAYS: *Not that it's something you need to hide, but I personally recommend not broadcasting that information to people. Chicks will wanna fuck you 'cos they want to, not 'cos you've been in jail. It's good to be honest, but I'd just leave it unless asked.*

SAUSAGE OR TACO?

HI TRINITY, since you've been with both blokes and chicks, there's something I wanna know – would you prefer to stroke a guy's nice, fat cock until it blows or finger-bang a hot chick's pretty, moist pussy till she orgasms?

I.R., NARROMINE, NSW

TRINITY SAYS: *Definitely a big, hard cock with a juicy load. I'll always choose a man first. Nothing beats the stroke of good cock. Although women do come very close!*

EX-CITING SEX!

HEY Trin, I used to have wild, rough sex with my ex, but since we broke up I've not been able to find anyone like that. The sex was crazy with her, but that was 'cos she was a crazy, lying, manipulative cow. I fucked this nice, sweet, wholesome girl recently and all I wanted to do was get rough, but I didn't as I could tell she wouldn't like it. Did my ex ruin

my sex life? Will I ever enjoy vanilla sex again?

P.T., KEWDALE, WA

TRINITY SAYS: *There's plenty of good sex out there, mate, you just need to create it. Don't underestimate the innocent, vanilla girls as they can be the craziest – trust me!*

STINK FOR PINK

I SAW this stuff in a vending machine at the pub dunny the other day called pheromones. It says the smell drives chicks crazy. So I rubbed some on myself but only my mate Bob noticed, who said I smelt funny. Have you heard of this before? Is there a smell that gets you wet?

JACKO, GOLDEN POINT, VIC

TRINITY SAYS: *Ha! Yeah, I've seen it before, it's a novelty thing, hun. It doesn't actually work. Good laugh at the pub, though. I just prefer a nice, clean, fresh man with some good cologne.*

SIT ON MY FACE!

DO YOU like facesitting, Trin? I'd love for you to sit on my face with my nose going up your arse – would you like to do that to me?

SCOTT,

DUMBUDGERY, NSW

TRINITY SAYS: *My man eats the best pussy alive. He gives me multiple orgasms almost every time he eats me out. I love to have my pussy licked, kissed and sucked. A man who gives good oral sex is king!*

Get up ya SOOK!

WHEN old mate headed out in the morning he thought he'd be coming home with a nice, juicy flathead on the end of his spear for his missus to fry up for his brekky.

Next thing you know the poor bastard is swimming to shore with a hole through his beak big enough to fit a plate of SAUSAGE, EGG AND CHIPS and wondering where it all went wrong.

The details surrounding the actual

SPEARING are a little hazy; it's unsure if he shot himself or if some other CLUMSY so-called MATE did it for him.

Either way, he's scored himself a piercing that'd make SID VICIOUS jealous and he's still gotta go down the fish 'n' chip joint to pick up dinner.

And he'll have to be careful of the salt and vinegar. Ouch! Stingy!

Come on, mate, don't keep the missus waiting – GET UP YA SOOK! **Picture**

**"MY BOYFRIEND

FOR most blokes, staying healthy means stopping at the 15th beer when you're at the pub and getting your veggies in the form of tomato sauce. But for champion fucktress Dillion

Harper, getting a regular facial is essential for her well-being.

"I like it everywhere!" giggles the 26-year-old ROOT RAT. "I could take a bath in it!"

It's meant to be great for the skin!

"Yeah, I don't mind that at all. Although my boyfriend will come a lot on my arse or tits."

We can see why. Do you like performing with chicks, too?

"Yes, I love girls. When I started out, I was doing mostly boy/girl but now I'm doing more and more girl/girl scenes. As I do more and more, I get more astonished by women and how different it is. But I think I would be more bi because I do like guys – I need the cock!"

Phew, we don't wanna lose you to the COMFY SHOE BRIGADE. Do you like a bit of BUM FUN?

"I have to be specific on the anal thing because I don't like anything going in but I don't mind rimming and I like licking stuff."

What's the most uncomfortable place you've had sex?

"I've been fucked a couple times on a stool. There was a Brazzers scene with Johnny Sins and they put us on a granite staircase. So they filmed us in weird angles and my knees were just bruised up!

You've squirted in a few scenes, is that something you learnt during porn?

"Yes. Although, I don't really squirt much anymore. I don't know. It just happens! I can't control it. There will be moments when I feel like I have control over it but lately it just hasn't happened."

What's your favourite sex possie?

"I like being fucked in the doggy position while using the vibrator on myself."

What's your on-screen sexual fantasy?

"I'd like to skydive and fuck at the same time. That'd be cool. Or something more realistic would actually be an underwater shoot."

Keep at it. PLEASE. ■ Picture

EUROPE'S loss is our gain. Not only is their economy doing SHITHOUSE, but 22-year-old Angel is over here on our patch of dirt. So suck on that, Brussels.

How long are you here for, Angel?

"For the next year. I'm having lots of fun and lots of sex."

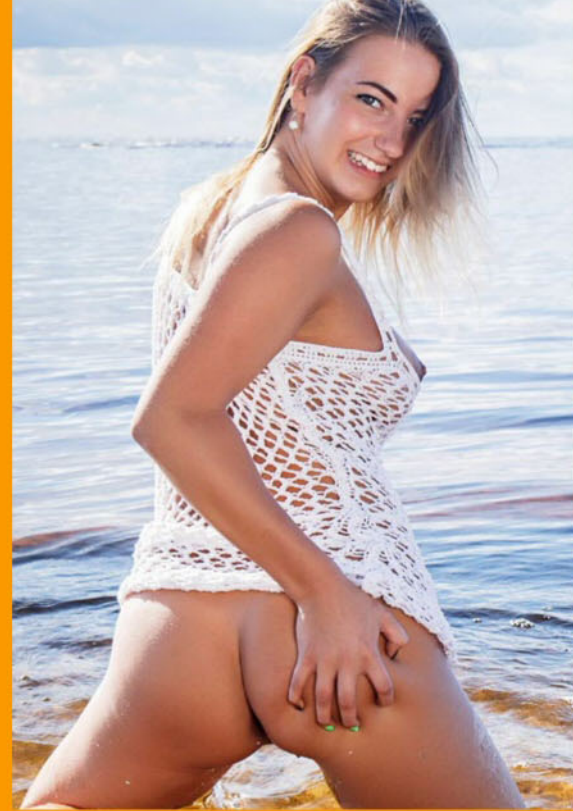

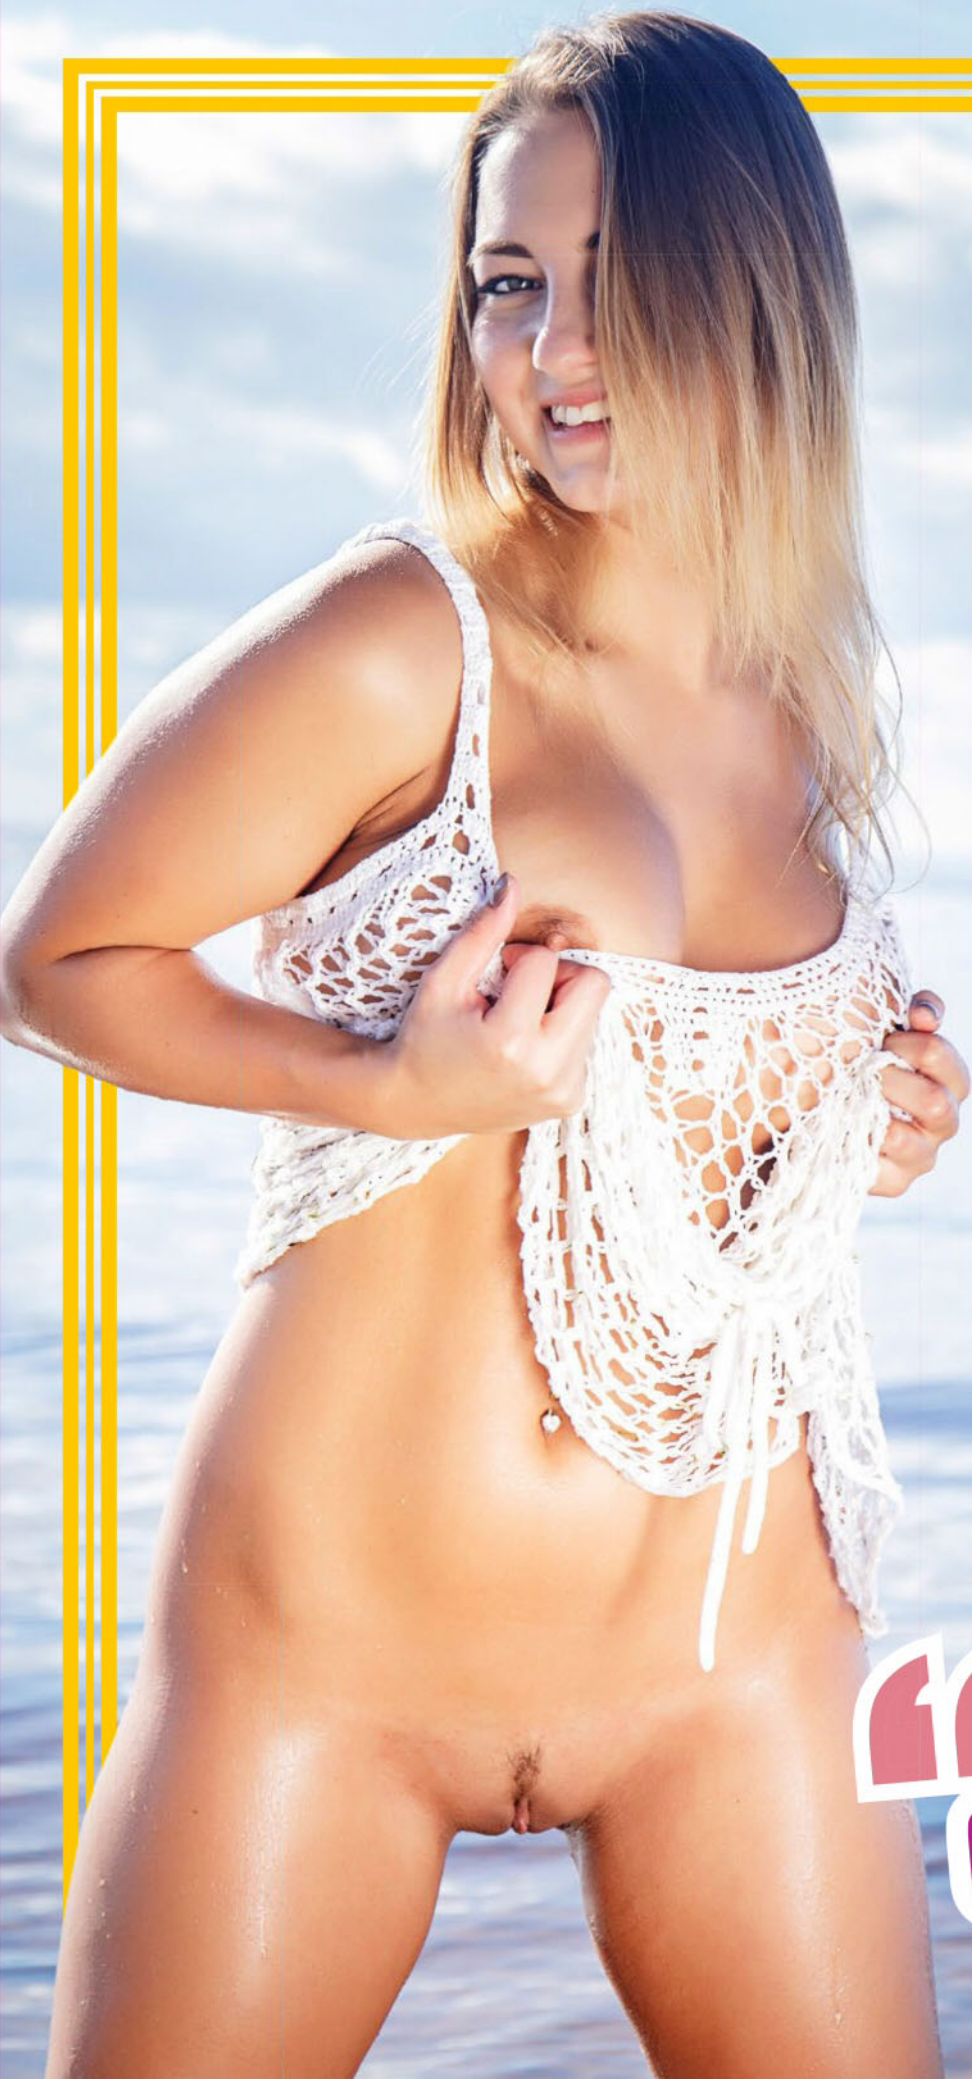

Good for you. What sorts of blokes have you been bonking?

"I like surfer guys, but he doesn't have to surf for me to be interested. I do like it if he has a good tan, though."

Ever had a threesome?

"Once back home. It wasn't as fun as it sounds. I much prefer having sex with the one man. Doggy style is my favourite position. And it's got to be really hard sex."

SUN, SAND
& SMOO!

Have you ever done it on the beach?

"No, but I did it in the back of a taxi a few months ago. Well I gave a guy oral sex. I was so drunk and only remembered it recently."

You sound like a friendly drunk!

"I get very flirty. I think sex is better when you've had a few drinks. But not too many drinks. I think sex after three drinks is about perfect."

Do blokes go batshit over those bra busters?

"Yep. It's all they seem to notice. I guess some guys like my arse, but my tits get all the attention."

Do you like it when blokes play with them?

"I love it when guys suck on them. And it's even better if they can stroke my nipples while they are fucking me. It's so intense."

Can we have that in writing!

MISSION ACCOMPLISHED

I'D BROKEN up with my boyfriend and I was going nuts with frustration.

Between my vibrator and my fireman's calendar I was just getting by, but I knew I was gunna have to get laid soon.

Most chicks would just go to a club and pick up, but I'm more a backyard barby girl, so when an old friend of mine rang up and said she was having one I jumped at it, hoping there'd be same male talent there.

There was heaps, but that was the problem – I couldn't choose! I must've flirted with about half a dozen guys, but I couldn't pick one to save my life.

So, after a few more vodkas and a bottle of bubbly, I passed out on the loungeroom floor.

When I woke up the next morning I thought "Oh no!" 'cos I'd missed my chance. Then I noticed one of the studs from the night before on the floor nearby, among all the party trash, snoring. I had to go for it. I wormed backwards over to him and wrapped his arm around me, so when he woke up he was spooning me.

Knowing what I do about blokes I knew he'd have a raging morning boner, so I wriggled my jeans and panties down, grabbed his dick and started rubbing it over

my pussy lips.

As he opened his eyes he must've thought he was dreaming as I whispered to him "I want your cock inside me."

He was out of his dacks and up me in a flash, and as his meaty prick slid into my soaking moot I realised what I'd been missing so badly.

I eventually rolled him over and climbed on top of him, treating him like a sex toy as I slid back and forth on his cock until I came.

Then I got off him, got dressed and went home, feeling heaps better.

JULIE, ELSTERNWICK, VIC

GOING DUTCH

I WAS pretty naïve the first time I landed in Amsterdam. Me and a mate had only gone there for the legal choof and the Heineken brewery tour. We had dreams of scoring with some Dutch chicks, but being a couple of shy country boys we weren't too good on the pick up.

Anyway, we were puffing away in one of the dope cafes when these two hot Dutch chicks sat down at our table and started quizzing us about where we were from and what we did and that.

It only took a couple of minutes before I realised they were trying to chat us up, something that had never happened to me before.

They gave us a rundown of all the good bars and bought a couple of shouts and just as I was working up the courage to ask one if she wanted to hang out, she blurted out, "You like to come home with me now?"

Erm... well... YEAH!

So I followed her outside, we jumped into a cab and ended up going into this big house, up a long staircase and into her attic room.

I was drunk, stoned and jet-lagged to buggery, but as soon as she chucked her little blonde self down on the bed and said: "You fuck me now please," my old fella sprang to attention.

I tell ya, I did Australia proud that night – I growled her out, fucked her every which way and got her howling as I pulled out all the stops.

Every now and then we'd stop for a break and she'd lie there nuzzling my custard cannon and telling me how much she loved my big Aussie cock.

But next morning, when I wanted to make arrangements to see her again, she just said she was busy, but thanks for the fuck, and that was that.

I felt used, but in a good way.

ROADSIDE SERVICE

MY BEST random fuck happened when I was driving up to Queensland and broke down somewhere around Ballina.

Luckily I was on the coast road not the highway, so the scenery was nice and I wasn't about to get creamed by a semi.

But I was having trouble getting service on my mobile and I was gunna hitch to the town to get help when this immaculate HQ panny van pulled up.

Then out of the driver's seat steps this gorgeous babe in dirty cut-off jeans, a scraggy tank-top and a pair of Blunnies. She had masses of dark curly hair, a deep tan and big unfettered knockers. She flashed a big grin and said "Havin' a bit of trouble, mate?"

I stammered: "Y-y-yeah," and she hauled a tool box out of the back of her van and was tinkering under my hood.

She got it going in a couple of minutes, and I asked her how I could repay her.

She replied: "Y'know, I could really do with a good fuck – reckon you're up to that?"

I couldn't even speak, I just nodded, and she led me round the back of her van.

She had it all decked out – a bed, stereo, TV, mini-fridge, the works – and as we stripped off she switched on some tunes and we got down to it.

She had a great body on her, and her tan went all the way around. Soon she was taking charge and riding me like a bucking

bronco, using her strong thigh muscles to grip my hips while her equal muscly moot milked my cock.

It was just a quickie, I won't lie, but a really goodie. When we'd dressed and I thanked her for the help with my car, she replied "No worries – thanks for the fuck!"

Then pinched me on the arse, got in her van and drove away.

ASK THE HOMIES FLASHBACK TOP TITS

"Neck biting
is a huge
turn-on"

ALEXIS
ADELAIDE, SA

"I love roleplay and costumes," says titanic-titted 20-year-old Alexis. *Dungeons and Dragons usually attracts fatter, more bearded participants.* "I've done a secretary/boss roleplay which was hot. There's so many I want to try. I like a bit of power-play and for things to be a bit rough. Neck biting is a huge turn on." *What other role-playing scenarios would you like to try?* "The next on my list is to play a bad girl cop.

Usually I'm the submissive one in the roleplay, like the secretary/boss situation. It'd be fun to take control of the fantasy for a change." *What do you like about being someone else?* "Obviously costumes are hot, but it's deeper than that. I think roleplay allows you to explore your sexuality, and makes you more confident to try new things. When you play a character you can let go of yourself and your inhibitions."

DOLLY

TAMWORTH, NSW

"I love having my boobs played with," admits TOP HEAVY 23-year-old Dolly. "My nipples are so sensitive so a little tweak feels amazing!" *You must have fellas lining up around the block for a chance to TUNE THE RADIO.* "I have a

partner at the moment so he's the only one who gets to touch them right now." *What a LUCKY DOG! What else does this fortunate fucker get to do with you?* "He gets to give me lots of massages – that's my favourite kind of foreplay.

I really enjoy getting the oils and candles out and making it nice and romantic before we get down to some nice, hard sex." *Is it always him doing the massaging?* "Sometimes we swap over but I prefer receiving massages and he doesn't complain about being the one rubbing me all over." *Do you finish with a HAPPY ENDING?* "Of course, we're always having sex after about 15 minutes of massaging. It's so slippery and fun when you're covered in oils."

"My nipples are so sensitive"

"Women should be able to embrace their body"

MAYS
CENTRAL WEST, NSW

Ignore our po-faced detractors, we are all about self-esteem here at Home Girls. "This is my first published nude shoot, although I have been photographed nude before," says humungous titted 19-year-old model Mays. "I am a model

and I like it. Women should be able to embrace their body." *We wouldn't mind giving you and those funbags a bit of an embrace.* "That's what made me want to pose for you." *Does getting nude for the camera give the old confidence a*

boost? "Definitely. You start to see every aspect of your body." *And what aspect of your body is the most beaut?* "I like my curves." *What would you tell someone planning to enter the super-exciting world of nude modelling for Home Girls?* "Being in front of a camera may be intimidating for you, but it's a very liberating job and lots of fun." *And when a pair of bazoogas like yours are on show, it's lots of fun for us, too.*

Home Girls

"My friend came over and got in the shower with me"

L.O.L.A
IPSWICH, QLD

"I love water skiing it is my ultimate favourite thing," says boobalicious 19-year-old blonde Lola. *That sounds good – and would sound better if you told us you had done it naked.* "I have! On Australia Day, five of us skied naked at Lake Moogerah. It was awesome." *Did many people get lucky enough to watch you?* "Only the crowd on the bank." *Of course, we'd like to review some*

photos or video evidence of this for our, um, own research. "I don't have any." *That is sad. You'll have to make up with a filthy anecdote.* "My first sexual experience was with a girl when I was a teenager. My friend came over and got in the shower with me." *To help scrub your back?* "Unexpectedly things got pretty heated in there and we took it to the bedroom." *Yeah, that will do fine.*

VUJILKANLI
MELBOURNE, VIC

When confronted by her bouncing castle-sized tits, we'd make an effort to learn how to pronounce this 25-year-old body piercer's name. "My best friend and I had a threesome with a one-legged man once because we were drunk and bored." *Was it hard finding a one-legged man?* "Well, we were both so incredibly drunk at the time we

didn't actually realise he only had one leg. We noticed a few weeks later when we saw him again at the pub." *What parts have you stuck metal through on other people?* "I am still training, so I only do basic piercings. My next round of training includes genitalia. That'll be interesting." *And painful if you miss during practice.*

"I had a threesome with a one-legged man"

"I like people I can talk to for hours"

MIABELLE
MELBOURNE, VIC

"My bedroom is my safe haven and where I do all my writing," says spunky 26-year-old Miabelle. *What else do you do for fun between those walls?* "I make origami to relax and so it's always full of origami. I also love soft lighting and night lights. I'm scared of the dark, so my bedroom is always glowing with various little lights and candles." *Who gets to come in and help you feel less scared?* "They have to be pretty special." *People often say we're A BIT SPECIAL.* "I'm super picky. I like people I can talk to for hours; people who are intelligent and sweet. I like people who can laugh at themselves; arrogance is such a turn off. I'm a nerd, so I like nerds too. So generally I look for a sweet, self-deprecating, perverted geek." *We'll ask around.*

ROSALINNE
MORNINGSIDE, QLD

"The sexiest people are from Brazil and Sweden"

"My favourite position is me on top, because missionary is boring," says 24-year-old motion graphics designer Rosalinne, who helped international relations along no end when she brought her beautiful smile and big juicy tits all the way here from Chile. **What else are you into?** "I like stoner rock music, enjoy rollerblades, love people with tattoos and I do biology research for fun." **Biology research? Surely you do something**

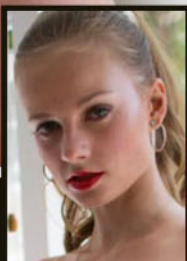

more fun than that. "Once I played strip poker, but I don't know how to play poker so..." **Sounds like the house came ahead that night. What other games would be improved by putting 'strip' in front of the name? Strip Monopoly? Strip chess? Strip darts?** "Well, Trivial Pursuit is a long and difficult game. It would certainly be more interesting if there was stripping involved. It works with any game."

"I played strip poker but I don't know how to play poker"

VICTORIA
ALICE SPRINGS, NT

Top-heavy Russian punk Victoria has no time for the winter. "I'm in Australia every summer. This is my third summer here." **You must like it.** "I love everything about Australia. There's awesome weather, fresh food, cool, positive people, wonderful nature, a high standard of living, ocean and extremely beautiful beaches. I would love to live

here for the rest of my life. It is the best country I ever been to – and I travel quite a lot." **On these travels, what nationalities are the hottest?** "The sexiest people are from Brazil and Sweden. And Aussies." **Good answer. Sounds like you enjoy looking far and wide for TOCKO.** "I love to be far away from my home. Mexico is one the best to visit, too."

"I think I
have nice
boobs and
legs"

**BEST
OF THE
BREAST**

ARIANA
ADELAIDE, SA

You're doing 24-year-old Ariana a favour by ogling her big luscious boobs and ripe round arse. "I do like being photographed nude." *What a beaut coincidence, 'cos we quite like*

looking at you. "It makes me feel good and confident about myself and I am certainly not ashamed of doing it. I've posed for pics like these a few times now." *Good stuff, we*

enjoy a seasoned campaigner. "What I like about my body is my boobs and my legs. I think I have nice boobs and legs." *You have legs? What sort of guy gets to stuff his face between those superb hooters?* "The guy who plays Brax on *Home and Away*? I wish. I like a smile and a great personality. What drives me wild in bed is a guy who knows what he's doing and satisfies my needs pretty good."

SHAKIRA

MELBOURNE, VIC

No, this ain't that famous booty-shaking midget singer from Colombia, but we can see how you'd confuse the two. Both the music spunk and this stunna have glutes you could bounce a 20-cent piece off, but there's only one you'll see naked in Home Girls. "I've always had a nice, round bum and I'm pretty good at shaking it," reckons this **BOOTIFUL** 30-year-old yoga teacher. "I've noticed that guys like me being in the doggy position when I'm having sex, too. And I don't mind being bent over one bit." ***Is BUM SEX something you'd try?*** "Yes, with the right guy in the right environment it can be really good." ***That's the best news we've heard all day. Sorry, make that all YEAR.***

"I don't mind being bent over one bit"

**"I've had a
threesome
and a
foursome"**

KIRRA

GOLD COAST, QLD

One thing you should know about this ball-draining 18-year-old is she's the opposite of shy. "I did these pics on a dock up here in Queensland where there were lots of fishermen – it was fun!" she giggled. "And my 8DD boobs do get noticed a lot. I don't mind one bit." *That's the way. What's new in the rooting world?* "I've been getting into a bit of anal lately and I really like it! I've also had a threesome and a foursome, so although I'm only 18, I've got a bit of experience."

Probably more than us! How was the foursome? "Good. It was all guys and me, so there was a lot of dicks, but it was fun to try. Maybe next time I'll get another girl in there." *And invite us!*

Home Girls

DANICA
IPSWICH, QLD

"I like it when a man is dominant in bed"

SOPHIE
MELBOURNE, VIC

"I like men who know what they want and know how to treat a woman," says this 26-year-old Swedish traveller. "I like it when a man is dominant in bed ... not in a *50 Shades of Grey* way, but a little." *You mean he speaks in sloppy, clichéd English and loose narrative structure? What is the kinkiest think you like doing?* "I'd say handcuffs and being blindfolded." *Are you always the submissive one?* "Yes. While both Australian and Swedish men are really

open about sex, Australians are a bit more forward. In Sweden women often make the first step." *So you like to initiate things?* "Not really. I am shy, so I prefer it when the man makes the first step." *Do all Swedes like running around the sauna and the city centre nude, just like the awesome national stereotype we've come to love?* "I don't have a problem being naked. Especially to avoid tan lines." *We'll try that line on the magistrate next time.*

"I enjoy outdoor sex and sunbathing naked"

"I'm a strong, dominant, voluptuous woman," says planet-boobed Brit Danica, 48. *What sort of bloke gets to risk suffocation between those magnificent nungas?* "Strong men, like firemen." *Not magazine writers?* "I like my men to be strong, powerful and tall." *We're off to the gym after this. Is it just blokes or do the ladies get to go canyoning between those natural wonders, too?* "Yes, they do. I've had sex with women. And I've

had threesomes with women – and with two men." *Front bumps like that are made to share, so that seems only right. Can we see these blokes and birds getting a face full of your titanic tittage?* "Yes, I like watching porn and making porn." *We all like a hobby. "And I like gardening." Naked, we hope.* "I do enjoy outdoor sex and sunbathing naked or topless, so of course." *We've got some seed to share, as long as you don't mind it being spilled.*

SAVANNAH

ROTHWELL, QLD

"I love being in front of the camera," says 36-year-old model Savannah. "I get to work with other gorgeous models and having naked pillow fights in front of the camera." **Sign us**

up. What is the wildest thing you have done on camera? "An exotic massage video sliding over a stunning girl's hot body." **Sounds fun.** "Yes, it is." **Have you ever had full sex on**

camera? "I definitely want to." **We definitely want you to, too. What do lots of guys get wrong in the bedroom?** "That's easy; oral. So many men just go for it and shake their head around and lash their tongues everywhere. Or they are too busy looking up at us. They need to be gentle and go slow, but get a good rhythm and keep the rhythm up. They will have the girls begging for more."

"So many men just go for it and shake their head around"

Home Girls

BELLA
FREMANTLE, WA

"I love intense, passionate sex," growled 24-year-old veterinary assistant Bella. "I'm not opposed to doing anything in the heat of the moment." *What's something wild you've done in the sack recently?* "I tied my boyfriend to my bed and teased him for hours before letting him finally fuck me. That's got to be one of the wildest fucks I've ever had. He unleashed so much sexual frustration on me." *You*

...tied the fella up and teased him, of course he unleashed! Where's the strangest place you've done the HORIZONTAL TANGO? "In a Bunnings carpark. My boyfriend and I got back to his ute after buying some pot plants when we felt the urge, so we climbed into the tray of his ute and went for it." *Not the sausage you normally get at Bunnings...* "We actually got a sausage sandwich after!"

DRUNK SPORTS CHAMPS

01. John 'Jocky' Wilson
The Scottish darts player, a former British and world title holder, would neck seven or eight vodkas, chased with the same number of beers, during a match.

02. Charles Barkley
The Seppo basketball legend was playing for the Philadelphia 76ers in 1992 when he heard he was being traded to the Lakers, so he went out for a big, boozy lunch. But the deal fell through, and he had to play for the 76ers that night drunk, scoring 23 points and making nine rebounds!

03. René Houseman
A member of Argentina's 1988 World Cup winning team, Houseman once showed up drunk for a game with his club Huracán. Going on in the second half, he broke the 0-0 deadlock with a brilliant solo goal, after which he collapsed on the turf giggling.

04. Pat Rafter
Aussie tennis poster boy Pat played a reverse singles Davis Cup match pissed as a chook after having an all-nighter with Mark Philippoussis to celebrate going up three-zip in the rubber against Czech Republic. He won anyway.

05. John Daley
The big bloke loved to whack a golf ball while tanked. "I played a few rounds where I was still drunk from the night before," he says. "One time during a PGA Tour event, I played the front nine, had four beers at the turn, then shot five under on the back nine and finished seventh."

06. Lew Hoad
The Aussie tennis great and party boy played the 1956 French men's singles final drunk after staying up all night on the piss.

07. Johnny Raper
Rugby league great Raper loved to get on the piss, often on the night before a game, and often found himself still a bit wobbly the next day. So he'd take himself to Bondi and run up the beach to clear his head.

08. David Wells
New York Yankee Wells pitched a perfect, no-hit game against the Minnesota Twins at Yankee Stadium in 1998 - while he was, as he put it, "half-drunk, with bloodshot eyes, monster breath, and a raging, skull-rattling hangover." He'd gone to bed at 5am, had one hour sleep - then pitched his way into history.
